

COMPILED RESOURCE LIST: RICE AND BEYOND

WHERE TO LOOK FOR JOBS:

- **Handshake**
 - Hint: the key word search on handshake can be misleading! Many of the eco-centric jobs live under Architecture + Engineering, Social Work, and Public Sector.
 - Hint Hint: Handshake also has a number of informative resources.
 - Internship Series online has a green book of opportunities.
 - **Vault Guides: (1) Environmental Careers, (2) Green Programs**
- **O-Net**
 - Hint: Find Occupations > Green Economy Sector.
- **Dolphin**
 - This start-up app is geared toward helping people find social impact careers. Indicate that environmental issues are of concern to you!
- On-Campus organizations
 - **Sustainability at Rice**
 - A complete list of campus organizations focused on sustainability. This is a great place to find organizations that will help you explore your interest, start networking, and find mentorship.
 - Sallyportal
- **Citizen's Environmental Coalition**
 - The Citizens' Environmental Coalition is a good place to refer to all things Houston: they have news, events, and a job board.
- LinkedIn, Indeed, and Sallyportal
 - Hint: join the **Sustainability at Rice** group on LinkedIn to narrow your search.
 - Reach out to Rice contacts on LinkedIn and Sallyportal using filters by school, location, and industry keywords.
- **ACEEE Jobs & Internships**
- Company job boards
 - Nearly all large companies have sustainability teams and initiatives. Your interest in sustainability doesn't limit you to companies that are sustainability-oriented. Explore your other interests and see if sustainability can play a part in your role!
 - Consider industries like Architecture, Engineering, Manufacturing, Tech, and energy - all have the ability to contribute to sustainable practices, even if they aren't the primary focus of the company.
